BILLING TERMS

200.50.1	Invoices are billed via email by the 5th and payment is collected on the 25th of each month, prior to the start of the next service month.
200.50.1	Service will begin only after Delta Environmental Services, LLC receives the initial payment.
200.30.2	A valid payment method must be kept on file, at all times, and configured for automatic draft.
200.50.2	A Dumpster Service customer's account will be considered past due and delinquent if it remains unpaid for more than twenty-five (25) days from the original billing date.
200.50.10	A $55.00 Declined Payment Fee will be applied for all payments denied by a financial institution.
200.50.2	A $35.00 late fee will be applied to any past due or delinquent account on the first of each month.
200.50.3	Failure to make a payment after receipt of delinquency notice, prior to the scheduled service, may result in container retrieval and service termination.
200.50.5	To resume service on a terminated account, a reinstatement fee of $100.00 must be paid, along with any outstanding balances (including collection costs, if applicable) and an advance payment of up to two (2) months of billing.

SERVICE TERMS, INSTRUCTIONS, AND COMMENTS		Initial
200.30.2	An ACH payment method or a valid credit card must be kept on file for the duration of the contract. Per protocol, requires that payment card information be either physically presented or verbally communicated directly to our Customer Service Representatives. This ensures that all sensitive information is promptly encrypted upon entry into our secure system.	
200.140.2	All refuse must be containerized and/or bagged to the fullest extent possible. Any refuse that cannot be containerized will be managed according to the applicable rate schedules.	
300.30.4	Refuse placed on top of or overflowing from the container, as well as any refuse picked up from the ground at the customer's request, will incur additional charges for extra yardage in accordance with the rate schedule.	
200.60.9	If DES needs to return for a missed pickup due to the container being inaccessible during the scheduled route service, a transportation fee of $97.50 will apply.	
300.30.1	All additional charges, such as those for extra pick-up services, will be assessed and collected at the time the service is provided.	
200.130.5	The customer is responsible for ensuring clear access to receptacles for all types of container services. This includes removing vehicles, snow, ice, or any other conditions that may obstruct access to the receptacles.	
200.130.12	The customer is responsible for the reimbursement to the Utility for any damages to the facilities of the Utility caused by the customer, the customer's authorized users, or anyone else.	
400.10.1	A fuel surcharge, disposal surcharge, and Regulatory Commission charge may be assessed as warranted.	
	Twenty-four (24) hour notice must be given to the Utility for any requested service.	
	DES reserves the right to modify the terms and conditions of this agreement, including service rates, at any time and from time to time, with prospective effect. Any modifications will become effective on the date specified in the notice sent via email and will apply only to transactions made on or after that effective date. These changes will not be retroactive.	

I, the undersigned, affirm that I understand ALL the information outlined in this service agreement as written above. I acknowledge that this refuse disposal service agreement (v.#16) supersedes all prior DES service agreements. I confirm that the information provided by me is true and correct to the best of my knowledge. Furthermore, I agree to promptly notify DES in writing if any portion of this information changes.
